Dear Michael and Classmates:

Thanks very much for telling me about your school's tradition of giving back to the community. I'm sorry that I'm late in responding to your online message.

I was so impressed when I read how Grade 6 students had organized another successful Christmas yard sale to buy food for Rotary Shelter House. Well done! All of you embraced the true spirit of Christmas by reaching out to those in need.

And I was impressed once again when I saw that you had taken the time to document your success through a WordPress site and a video. It's wonderful to learn that the Give 4 Christmas Challenge has inspired others to lend a helping hand to those less fortunate.

I have always believed that our province's young people have boundless ideas, talents and abilities — and you are all solid proof of that. I'm also delighted to see that you have such caring and supportive teachers. I applaud Mr. Cameron and Mrs. Barch for sharing their enthusiasm and obvious love of teaching with you.

I congratulate all of you on a very successful Christmas fundraising campaign, and wish each and every one of you much continued success in school.

Sincerely,

A handwritten signature in cursive that reads "Kathleen Wynne".
